## Equipment Order

We recommend and purchase only high-quality Japanese martial arts equipment for our members. Less expensive items pervade the market, but lower costs usually result in less serviceability and even danger to the practitioner. We have developed good relationships with Japanese suppliers to bring you excellent equipment at the best prices. Many items are custom made by our Japanese suppliers. Therefore, we need some personal information:

### Hakama Sizing

| Length (inch) | Size #      |
|---------------|-------------|
| 32.5 - 22     | 39.5 - 26.5 |
| 33.5 - 22.5   | 40.25 - 27  |
| 34.25 - 23    | 41 - 27.5   |
| 35 - 23.5     | 41.75 - 28  |
| 35.75 - 24    | 42.5 - 28.5 |
| 36.5 - 24.5   | 43.25 - 29  |
| 37.5 - 25     | 44 - 29.5   |
| 38.25 - 25.5  | 44.75 - 30  |
| 39 - 26       |             |

To determine your Hakama size, measure between the top of your hip bone and the anklebone in standing position. This length is approximately equivalent to the length between the bottom of rear obi and rear hem. Refer then to the size chart shown above.
